# THE MAGNIFICENT MONOLINE LETTER WITH RICK PAULUS

The Monoline letter is ubiquitous and has many voices. It was a favorite of the Art Nouveau and Art Deco periods, and continues to thrive today. Discover the diverse and lively world of the magnificent monoline letter in this colorful workshop with former White House chief calligrapher, Rick Paulus. From creating White House invitations (really!) to expressive calligraphy pieces and logo design, this pen is as diverse and as easy to use as it is fun! If you are a skilled calligrapher and have not yet played with monoline lettering, this workshop will stretch your imagination as you let go of the restrictions of thick and thin strokes. And, if you have never tried calligraphy at all...this pen is a welcoming entry-level tool. Regardless of skill level, this workshop will bring new, exciting life to your work. All Levels
